HOLIDAY PARK POLICIES

The following policies are provided for the information and benefit of occupants and their visitors.

Rent, site fees and other charges.

All accommodation and site fees are reviewed 6 monthly on the 1st of July and the 1st of January each year. The holiday park owner will however honour any prices quoted at the time of a booking or signing of an annual holiday site agreement and any prices referred to in a current annual publication which has been supplied with a price list by the holiday park owner.

Debt collection and recovery of unpaid money

If the Occupant fails to make any payment payable pursuant to the payment terms or breaches any of the schedule obligations or agreements, the Occupant shall be in default.

The Holiday Park Owner may charge interest on all amounts not paid by the Occupant within the term for payment at a rate of 2.5% higher than the rate for the time being fixed under Section 2 of the Penalty Interest Rates Act 1983 (Vic.) as at the date of the default, per calendar month calculated from the due date and accruing daily until the date of payment.

If the Occupant is in default the Occupant must reimburse and indemnify the Holiday Park Owner from and against all expenses, costs and disbursements incurred by the Holiday Park Owner in pursuing the debt including all reasonably charged legal costs on a "solicitor and own client" basis and the fees charged to the Holiday Park Owner by any mercantile agency. If the Occupant fails to pay any amount by the due date, the Holiday Park Owner may at its sole discretion:

- (a) cancel all access to the Holiday Park;
- (b) change credit payment terms including require cash pre-payment for any further services provided.
- (c) provide to a credit reporting agency details of the payment default.
- (d) commence legal proceedings against the Occupant (and any guarantors) for outstanding amounts, interest and costs.
- (e) decline to supply any services to the Occupant and terminate this and any other agreement with the Occupant, and
- (f) exercise any other rights at law including pursuant to the Personal Property Security Act 2009.

A certificate of debt signed by a representative from the Holiday Park Owner shall be prima facie evidence and proof of money owing by the Occupant to the Holiday Park Owner at the time of the certificate.

The making and abatement of noise.

As indicated in the park rules there may be circumstances where the rule with respect to the making and abatement of noise need not be strictly applied. Circumstances which come to mind might include special celebrations, group functions and entertainment. Such occasions may be planned by the holiday park owner or alternatively a holiday park occupant. In the case of the latter full consultation with the holiday park owner is expected such that any parameters may be mutually agreed and the privilege not subject to abuse. At all times the privacy and peace and quiet of uninvolved occupants must be considered.

Visitors

Within reason, occupant's visitors are welcome in the holiday park. Occupants must accept responsibility for their visitors. There is no charge for day visitors staying 3hrs or less. Visitors staying more than 3hrs but leaving before 10pm are required to pay a day visitor fee. Visitors staying overnight are required to pay an overnight visitor's fee. It is expected that day visitors will vacate the holiday park by 10.00pm or they will be considered as overnight guests should they choose to stay beyond 10.00pm.

Park occupants who anticipate having a visitor stay overnight must, when registering their visitor in accordance with the park rules, pay the appropriate fee. The overnight visitor's fee is that which applies for additional occupants of sites or dwellings as set by the holiday park owner from time to time.

Grievances

It is the holiday park owner's policy to listen to or raise grievances in private, during office hours, at the caravan park office or at another time and place by arrangement. There is an expectation that an attempt has been made to resolve any dispute between occupants, in accordance with the park rules, prior to the caravan park owner's involvement. The caravan park owner will seek to have disputes settled in a manner acceptable to all concerned but at times will be required to make a judgement with respect to a breach of duty by an occupant. In the case of a breach may result in the caravan park owner terminating any agreement. A breach of duty by an occupant will be dealt with in accordance with the relevant provisions of the Residential Tenancies Act.

Disciplining of Children

Children who misbehave in the playground or the holiday park generally will normally be reminded of what constitutes acceptable behaviour before any other action is taken. If a child continues to behave in an unacceptable manner the caravan park owner reserves the right to impose a reasonable sanction on the child. For example, the child may be refused use of the playground area for a period of time. It is expected, in accordance with the holiday park rules, that parents will support the holiday park owner with respect to any reasonable sanctions imposed.
